Dungeon of doom discount code 2020

Dungeon of Doom in Zion Illinois has 42,000 square feet of space to scare the bejesus of anyone who enters. Now with an underground atmosphere inside the former briquette factory, the famous haunted attraction has been preparing Halloween fans for their favorite vacation since 1997. Dr Killpatient roams the search for new victims, and Biscuit the Butcher easily waits for new meat to get inside the slaughterhouse freezer. Thanks to these characters and their elaborate attractions, Dungeon of Doom has become famous for its consistency. It also keeps your finger on the pulse of what fans want with polls every season, which is much better than having the deranged clowns in the dungeon knocking on the neighborhood doors with a clipboard. StephanieTOP REVIEWERFreakin Amazing! First I've been as an adult and I'm so impressed! MiriamTOP REVIEWEREasy ticketing. They did a great job leading the groups so that no group was left behind and no group would keep up. The actors stayed in characters and it was a lot of fun. This was the longest haunted house I've ever been and definitely worth the money. He'll be back in the year he MarcieTOP REVIEWER This was a great experience and the line was not so long that it was very long. I feel like they needed more actors to fill some gaps where there might have been some really potentially big scares. However, it was a very very solid experience that would come back. One of the best haunted houses I've ever been to! Possibly the best haunted house I've ever been, too. Don't let the living buried thought! so it's worth it! and buy the extra VIP. The general admission line lasted about 2 hours. VIO, you just came in! LazaroTOP REVIEWERHELPFUL REVIEWERThe best haunted house I've ever been to! Bringing buried alive is an experience in itself!!!
